
Montpelier 1976

Jay,

Since Shelley took my page I'll have to sign over here. Kay? I'm super-glad I got to know you this year. I'll never forget that night at 7-11, remember? I could have killed you for telling Wayne what I said. Be good this summer, & Shelley & I will come and see you this summer & next year. (If you don't mind!) Have a great senior year and make the most of it. raise _ - - - like crazy. ok? Please think of a good senior prank to do 'cause our class flopped out. I love ya & I'll never forget ya.

Love forever,
Kathy '76

(P.S. Take care!)

(P.P.S Remember when we went to play tennis?)

JAY,
I thought it
would be appropriate
for me to write on
this page because I am
a 76' experience (now, don't
take that dirty) I have really
enjoyed getting to know you this
year, its been fun. Good luck with
everything in life and don't let too
many troubles get you down. Just keep
smiling and please don't lose your laugh (sorry about the mistake)
I love it. I know I'll be seeing ya over the
summer, either at a party or if not I'll drop by
and see ya, if you don't mind. Good luck always
have a great summer and a super senior year.
Please don't change & know that sounds corny but
I mean it. Lots of luck
Love
Shelley

THE 76' EXPERIENCE

Gary
Even though I
didn't like the work
or the teacher in Chemistry,
I had a lot of laughs with
the other goofballs in class. Good
Luck and see you next year.

who you could always find smiling from
behind her desk in 152, Mrs. Sarah E. Whitlock

Rest now Mrs. Whitlock
from all of us who love you
We'll miss you very much
but God loves you too.

God has called for you

You'll always be with us in memory
for only your soul is gone

We here at Madison wish to thank you
for all that you helped to make possible
Rest now Mrs. Whitlock

ORGANIZATIONS

sga

This year's S.G.A. officers were Robert Roman, Jonathon Boyd, and Gay Trumball.

This year, with Mr. Cacciapaglia as sponsor, the Student Government Association was involved in sponsoring the Homecoming Dance, concerts, the Cans for Christmas drive, Ice Skating sessions, and picnics. As a result of the efforts of the S.G.A., music was broadcast in the cafeteria during lunch, and the Principals Advisory Council was reorganized. The S.G.A. Council this year was made up of interested students while the cabinet consisted of 12 students.

"The International Relations Club at Madison participates in Model United Nations simulations on both a local level, at Fairfax High School, and a national level, at Washington D.C. and New York City. In between events the club stays active by; raising money for the New York and D.C. assemblies, entertaining speakers from the State Department and various embassies. Also, members of the IRC use games such as "Diplomacy" and a U.N. simulation prepared by several members to further an understanding of international relations. The '75–'76 school year looks like a good year for the IRC with a second place award and a honorable mention for representing the United Kingdom and the United Arab Emirates as sovenars from our first assembly at Fairfax High."

"Well, what in the world is that? Actually it stands for Future Homemakers (not Homebreakers) of America. F.H.A. is not just another home ec club; we're quite different from that. We function as more of a service club than anything else. Noted for our high membership, we have won the Federation Chapter of the Year title for two years in a row now. F.H.A. is responsible for activities at school such as the Miss Madison Pageant, Ice Cream Social, S.P.T.A. night, bake sales, Initiation, Parent/Daughter Banquet, and many others. We also like to get involved in charities and fund raising, so we enjoy helping out with such activities as the Red Cross, Muscular Dystrophy, and visiting at Holly Hall. "F.H.A. owes its success to all the hard-working new and old members and our two terrific sponsors, Mrs. Pat Walochik and Mrs. Sarah Glaum (Home Ec) for making us great year after year!"

apostles club

We call ourselves the Apostles Club. Like the first Apostles, we are followers and disciples of Christ. When we get together, we sing, we read from the Bible, we talk, and we pray. We're finding out that the answers to today's problems can be found in a book that was written long ago; because it's the eternal word of God. We've got a Great club! We have close fellowship, and a lot of fun! We've found that God is real and that he lives in us! Praise the Lord!

"You gotta have Art." We believe it. We proved it by promoting art at J.M.H.S. in many ways. We sponsored the Annual Winter Art Show in December and used our artistic talents to decorate for the Homecoming Dance. We made posters, posters, posters! For fun we had an ice cream party at Farrells, dinner at Sir Walter Raleigh, an outing at Rehoboth Beach, a sketching party at the Washington National Zoo and visited the Torpedo Plant Art Center in Alexandria where we watched many artists at work in their studios. It was really a great year of dedicated service to the school and enrichment of members.

In an effort to raise money, the club spent countless hours cleaning the football field, having bake sales, and washing cars. The club spread the Spanish Culture with dinners at Mexican and Spanish restaurants, parties, and craft days. The club closed the year with its annual officers banquet. The Spanish Club would once again like to thank Mrs. Ingham for all her help.

What are all those girls doing out on the track and in the halls 6th period? They are practicing hard and working many hours to put on a winning performance and making their school proud. Under the direction of Mrs. Peterson, they had a good beginning: The girls went to Drill Team Camp this summer and they received 3 second place trophies in competition with other attending high schools; they also received third place award for the talent show in a group comedy skit. Michelle O'-Conner and Connie Moen were awarded Honorable mention and Co-captain Jackie Lafever was named Miss Drill Team and received a first place trophy for her original song on talent night.

This year twenty-four teams competed in the high school division of the program. Madison's Math Team, a small but enthusiastic group, met regularly throughout the year for practice sessions to prepare for the meets. Six meets were held in the individual schools. The teams from all the schools met together for the seventh and final county-wide meet.

The forensics organization was implemented in order to provide an opportunity for students to study literature through the art of oral interpretation and to gain experience in the art of oratory. Madison's team belongs to the Northern Virginia Speech League. Students participate in monthly tournaments in the following categories: Poetry, Prose, Dramatic Interpretation, Extemporaneous Speaking, Impromptu Speaking, Original Oratory and Original Works. There was much enthusiasm generated through this league's activity. Ms. Donnelly was co-chairman of the league and Madison hosted the November meet. Members usually prepare their own selections individually and share their work with other students through visits to English classrooms and afternoon critique sessions.

The school competes in District, Region, and State competitions. In 1975, Madison placed first in both boys' and girls' poetry and Mike Leclere placed second in prose reading for the state. Madison's members hope to continue this excellent foundation. In the first two tournaments winning members were: Mary Belich, Mary Maguire, Stuart Reges, and Barry Rugo. Congratulations and Good Luck!

majorettes

Front row: Nancy Jones (captain) and Missy Shelton (co-captain). *Back row:* Lisa Stout, Robin Doran, Karen Barry, and Lolli Daniels.

Madison's six majorettes enjoyed performing with the band, adding sparkle and variety to the football and basketball half-time shows. They also participated with the band in many area and statewide competitions. Practice began with the summer band camp and continued daily during the school year. A variety of their talent, including fire baton, flag, hoop, and dance twirl, was displayed in their routines which were choreographed by the captain, Nancy Jones. Although the girls had to put a lot of time and work into their many performances, they loved every minute of it!

bridge and chess club

(Left to Right) *Around Table:* Norman Hubbard, Kevin Kuehnel (Vice-President Bridge), Kevin McNerney (President Both), Harold Boerlin, Russ Housley, Kevin Ledzian (Vice-President Chess), Joe Scimeca. (Left to Right) *Back Row:* Jim Vest, Bonny Berger, Andy Kobele, Dennis Gregg, Mike Kehoe, Marcella Shader, and Andy Vest.

The Bridge and Chess Club meets Wednesdays and Thursdays in room 122. It was formed to help students who want to better their bridge and chess games by actually playing and making mistakes. Whenever a fourth for bridge is needed, Ms. Marlatt, the teacher sponsor or Mr. D'Elia join in the game and have as much fun as the rest of us.

When you walk in the room, you hear echoes of "two hearts," "three clubs," three no-trump," "double," "pass," "check," and "checkmate." It's an atmosphere of strategic thinking and overall fun. The chess portion of the club hopes to compete with different schools in the Washington-Baltimore High School Championship Tournament. If enough interest is shown in school competition, the bridge portion of the club would like to compete with other schools in Fairfax County.

"Welcome to It's Academic" greeted Madison's team for the fifteenth consecutive year on November 22nd. Led by sponsor Mr. Glen Bowman, team captain Mike Hutchins, his twin Pat, and Glen Perkins entered the WRC Studios confident and prepared after nearly three months of practice. Pitted against Montgomery Blair and Yorktown, Madison's team did well in the opening rounds. Victory was close in the final seconds, but the final scores found our team in second place — close, but not close enough. A good effort, though, and one that portents well for that eternal "next year."

orchestra

Scales to scales — concerts to concerts — '76 proved to be another spirited year for the Madison Orchestra. From its first organization five short years ago, the Madison Symphony Orchestra has blossomed into a 57-member team. Madison High can also boast a more select group, the Sinfonietta of 20 string and wind players. The dedication and enthusiasm of our conductor/leader, Mr. Fred Blake, along with that of the orchestra members and their parents are responsible for a steady upbeat performance.

This year, following tradition, we started the season off by playing for the Miss Madison Beauty Pageant in October. We played for Vienna in the Community Center in November, the SPTA Christmas Concert in December and in February an exciting Concerto Concert which featured several talented solo musicians from Madison. In the spring it was a Pre-Festival Concert two weeks before a "Superior" rating from the judges at the Orchestra Festival.

Besides practicing for the many concerts, the Orchestra and its backers worked diligently earning money to run the symphony and raise the huge sum needed to send the orchestra to Bermuda for the International Music Festival next year. It is a wonderful opportunity and we have "Mission Bermuda" well underway. The year ended with a Spring Concert at our high school and a clinic and concert at Madison College in Harrisonburg.

This year the Band program was again on the move. After a hard week at Band Camp preparing for the year's program, the Warhawk Marching Band presented exciting half-time shows during football season and again won first place for their Homecoming float. The Concert and Symphonic Bands stormed through extremely excellent Christmas and pre-Festival concerts and again received Excellent ratings at the VBODA competitions in March. Then it was on to the Mid-Atlantic Band Festival, where the Symphonic Band defended their First Place title from the year before. At the Virginia Beach International Music Festival the combined efforts of the Concert and Symphonic Bands blew away all competition, reasserting their championship and reputation and representing the spirit of James Madison High School.

Left to right: Eric Peterson, Judy Fieth, Laura Stahlman, Denise Smiroldo, Cindy Smith, Melanie Smith, Jenny Youngdahl, Katy Manchester,

The 1975–1976 Montpelier staff had a very challenging but successful year in putting together this yearbook. Although a majority of the staff members were new to the job, they learned very quickly as they were faced with impending deadlines. The many new ideas of the staff members made this year's yearbook very unique. The two co-editors, the various section-editors, the photographers, the art staff, and, of course, our outstanding sponsor, Mr. Harry Shaffer, devoted many long hours to creating this book. We all enjoyed the experience of putting the book together and we hope you will enjoy having it as a remembrance of this year at Madison.

The Future Business Leaders of America (FBLA), an organization for students enrolled in business and office programs, operates as an integral part of the school program. FBLA activities provide opportunities for students to prepare for business and office occupations. Its members learn to engage in individual and group business enterprises; to hold office and direct the affairs of the group; to work with representatives of other youth organizations; and to compete honorably with their colleagues. The AYD organization members are elected students who, upon completion of 40 hours of training, go into the sixth grade classrooms of the various community elementary schools. The members hold discussions with these sixth graders and they answer their questions concerning the transition from elementary school into a secondary school. The task of the members is to make this transition a little easier for these students. The school-sponsored organization's sponsors are Mrs. Bellamy, 11th grade guidance counselor, and Mrs. Dickerson, a representative from the National Red Cross.

biology field trip

Falling in the creek and catching poison ivy were only a couple of the highlights of the annual Biology Field Trip on October 9 and 10. Administrators and a few parents joined the teachers and students as they tromped around Lake Fairfax. Other than complaints from campers seeking quiet and the scaring away of the animals, the trip was a complete success, climaxed by the finding of some equipment left from trips in years past.

madison follies

Madison's talent was brought into the spotlight in the second annual Madison Follies. Held on Jan. 17, we had a good turn-out of contestants and a large audience. The winners were Ken Grandjean and Jim Madden, who performed "Dueling Banjos", a smash hit with the audience. For second place Pat Barbour and the Cousinettes sang "We Can Make It Together". Mary Bielich took third with her reading of "The Snake". An unplanned Honorable Mention was given to Bob Beech for the difficult task of tying his shoe. A great deal of talent was displayed by all contestants.

ice skating

On a few nights during the year, a non-school sponsored ice skating party was held at Tyson's Ice Arena. It kept many kids occupied between 11:00 p.m. and 1:00 a.m., and it was a lot of fun despite the falls.

soc hops

On Friday nights after home basketball games, Soc Hops were held in the girls' gym. The music was played from reel-to-reel tapes, and everyone enjoyed themselves.

This year Madison had one of its best seasons ever. Under the direction of Chuck Sell and his assistants, Madison ended the season with an 8–2 overall record and 6–0 to win the Potomac District race. This year Madison had a balanced attack in both offense and defense. The offense moved the ball this year, but not only on the ground. The pass was the weapon this year. With Rocky Clarkin quarterbacking and Jeff Hoston doing the receiving, Madison's offense was tough. During the year Clarkin tossed a total of 14 touchdown passes, 12 of which went to Hoston. In the running department Madison had one of the best this year with personnel like D. Hall, J. Spicer, C. Polk, and T. Cooke. Key blocking from the offensive line, though, made a big difference.

In past years Madison has been strongest in defense. Madison had an excellent defense again this year, in fact, one of the best in the area. A real key to this defense was the linebackers J. Hall and K. Weisenburger. Quickness in this area and on the line forced mistakes on which Madison capitalized and controlled the tempo of the game. Congratulations to the entire team for the best football season ever at Madison and a special thanks to the coaching staff who did a fantastic job this year.

The Girls Varsity Hockey team had a disappointing season this year. The squad lacked experience as it had only two returning lettermen. Although the team found victory to be quite elusive, the girls continued to practice diligently each day. Individual skills and team work improved tremendously as the season progressed. The season ended with a fine display of hockey skills. Mrs. Hackett is looking forward to many victories in the coming season.

Coach Moss

This year the Cross Country team, coached by Mr. Moss, had an exciting season. The team was one of the largest ever at Madison. In the Potomac District competition Madison's Varsity placed third with a score of 95. The Junior Varsity team compiled a tough 4 and 1 record to take second place in District competition. In the past two years Mr. Moss has developed a tough Cross Country team here at Madison. Since the team consists mainly of underclassmen, Madison could be a big threat in the future. Outstanding runners were: Dave Fiedler, Bill Foster, Kirk Havens, David Lieb, Ted Morse, Dean Ruff, Scott Sowers, Harmen VanDerWoude, Kevin Washburn, and Jim Yuill.

j. v. cheerleaders

varsity basketball team

Madison's varsity basketball team was not considered to be much this year. But, with the direction of Coach McLean, and the determination of the players, Madison compiled a tough district record. With one game left, Madison has the Potomac District Title on the line. Teamwork and hustle seem to be the key to the Warhawks offence. The full court press also contributed to Madison's success. Great season! Good Luck in the District Tournament. Good luck to seniors: Gary Forney, Jeff Hoston, Rocky Clarkin, Chris McGee, Tim McGahan, Lenny Polk, and Andy Wax.

The Varsity Swimming and Diving Team completed another successful season this year with a 5 and 3 record. The team is improving each season. There is a strong possibility that the swimming and diving teams could win the district meets. The district meets will be held at Washington & Lee H. S. and the regional meets at Starlit. The State meet will be held at Univ. of Virginia. High hopes for the future. Great job, Mr. Sell

The Diving Team has been very strong this year. Their record is 6 and 2. Diving has been tough in the last few years because facilities are not close. District meets are coming soon and Madison could be a factor. Seniors* Steve Williamson, Kirk Stevens.

Once again, under the expert coaching of Miss Dean, the girls' varsity basketball team made a fine showing. With Districts, Regionals, and State in mind, the girls put forth a winning effort each time out on the court. One factor which contributed more to the girls winning season than any other, was their consistant team play.

This year, after many requests, Madison sponsored a girl's soccer team. This year's team was just an experiment. If it works, we will continue to have a team. Under the supervision of Mr. Webber, the girls put together an outstanding team. With the help of the girls on this year's team, I'm sure we can look forward to a team next year.

First Row: Rocky Clarkin, Dave Russell, Bart Tschirgi, David Smith, Tom Cooke, Dave Hall, Tim Knicely, Pat Sedlock, Jack Spicer, Bill Bean, *Second Row:* Ron Woods, Mark King, Chip King, Terry James, John Sedlock, Coach Don Roth, Paul Hayward, Tim McGahan, Steve Beck, Chip Giannettino, Kevin Murphy.

The varsity baseball team could be a big surprise this year. Under the direction of Don Roth, the team should be strong. With returning talent and newcomers to the team, Madison could possibly win the Potomac District crown. The team is practicing hard inside and outside depending on the weather. John Sedlock and Tim McGahan, both pitchers, should control the tempo of most of the games; and with a little hitting, Madison will be tough to beat.

Good Luck!

Education is a companion
which no misfortune can decrease,
no crime destroy,
no enemy alienate;
no despotism enslave;
at home a friend,
abroad an introduction,
in solitude a solace,
in society an ornament.
It chastens vice, guides virtue,
and gives grace and government
to genius.
Education may cost
financial sacrifice and
mental pain,
but in both
money and life values
it will repay every cost
one hundred fold.

it was fun because of her? Anyway,
I hope you do well next year and maybe
we'll be in another class together. Have a
nice summer & see you next year, you
dumb jock!
Love,
